Re-cap on what “we do”

- Train, assist and fund partners to test practices & develop proposals & concept notes
- Present and pitch proposals at regional and global events
- Take up opportunities for submitting regional proposals where we see a chance as GIZ
- Promote proposals among ICPs and within GIZ structures
- Ensure contribution to NDCs, Paris Agreement, RAIP, RAP, SDGs

... and what we can’t do…

- Promote proposals directly to bi-lateral or multi-lateral partners of MS
- Push for prioritizing proposals in for example Botswana’s GCF Programme Development
- Ensure consideration of proposals in NDC and NAP Implementation and Investment Planning, GCF Programming, EDF Programming, etc.
Stepping Up Engagement Efforts in Sub-Saharan Africa to Catalyse Investments in Climate Action

EU PAVILION SIDE EVENT

Friday 06 December 2019 | 16:30–18:00
Room Helsinki EU Pavilion | IFEMA | Madrid

Drawing on the latest scientific evidence in climate smart agriculture, the side event will feature a theatre performance highlighting the challenges faced by farmers and other stakeholders in the SADC region in scaling up proven technologies and practices. The theatre performance will be followed by investment pitches and interactive discussions on CSA investment planning.
